

STOCK SALE

ALUMINIUM COMPOSITET

WELKOM!

In dit document vindt u een overzicht van het actuele aanbod van vlakke platen aluminium composiet bij Allpro. In dit document zijn materialen opgenomen van merken Larson en Alucobond. In de tabel zijn de kleuren weergegeven, de lengte, de breedte en het oppervlak (m²) van de platen. Het aantal beschikbare panelen is terug te vinden onder QTY. Voor een weergave van de kleur kunt u de kleurenkaarten op de pagina van de Stock Sale raadplegen.

Al deze platen zijn beschikbaar tegen een gereduceerd tarief van €25,00 per vierkante meter, ex BTW.

AC = Alucobond by 3A Composites

LC = Larson Composite by Alucoil

PE = Polyethyleen (kern)

FR = Fire Retardant (kern)

Dikte van het materiaal: 4 mm

Dit overzicht is gepubliceerd in november 2020.
